

Estrella Foothills Volleyball Booster Club

FAMILY MEMBERSHIP

Our Mission: Estrella Foothills High School Volleyball Booster Club collaborates with the local community to reduce athletic cost for all team members so every player and every coach can participate without the worry of athletic expenses.

Our booster club was created to provide support for our community of coaches and players. We encourage parent and community participation. We believe involvement during the high school years is key to the success of the individual child, school, and community. Our primary focus is fundraising, intended to ease the burden of athletic expenses. Additionally, the EFHS Volleyball Booster Club will develop and enhance meaningful communication among volleyball families and the local community, as well as provide social opportunities for families to create memories lasting a lifetime. We are a 501(c)3 non-profit organization. Donations and volunteers are always welcome and appreciated.
