On behalf of The Side-Out Foundation, we would like to thank you for your donation received on _____ in support of its Estrella Foothills Volleyball Booster Club Dig Pink event on October 11, 2018.

Your contribution will assist Side-Out in its mission to unify the volleyball community to drive change in the way that breast cancer is treated through youth education and empowerment. Stage IV breast cancer is the most advanced form of breast cancer yet the least funded area of research. With your help, we are supporting the development of treatments that are giving stage IV breast cancer patients more quality time with their families.

Thank you again for your generous support.
