

Estrella Foothills Volleyball Booster Club

DIG PINK VOLLEYBALL MATCH OCTOBER 11

ESTRELLA FOOTHILLS VS. YOUNGKER HIGH SCHOOL

For: October 11, 2018

Each year, tens of thousands of volleyball players, coaches and families across the country join together to participate in The Side-Out Foundation's Dig Pink® Movement. In an effort to bring more awareness and funding for stage IV breast cancer, our volleyball team is working with Side-Out, a national 501(c)(3) non-profit organization located in the Washington, D.C. metropolitan area (tax ID # 20-2510044).

On October 11, 2018, we are hosting a Dig Pink® match between Estrella Foothills High School and Youngker High School to benefit Side-Out, and we need your support!

Help us reach our goal of **\$500** by donating to our Dig Pink® fundraising page on our website at www.efhsvolleyballboosterclub.org. If you are in town for the event, please come on out and watch us play, and don't forget to wear your pink!

The sport of volleyball, through the efforts of The Side-Out Foundation, is driving change in the way that breast cancer is treated. Only 2 percent of breast cancer research funding goes toward stage IV cancer which makes their focus on stage IV unique and very important.

THANK YOU!
