

# Estrella Foothills Volleyball Booster Club

**Our Mission:** Estrella Foothills High School Volleyball Booster Club was created to provide support for our community of coaches and players. In our inaugural year, we hope to encourage parent and community participation. We believe involvement during the High School years is key to the success of the individual child, school, and community. Our primary focus is fundraising, intended to ease the burden of athletic expenses. Additionally, the EFHS Volleyball Booster Club will develop and enhance meaningful communication among volleyball families and local community, as well as provide social opportunities for families to create memories that last a lifetime. We are a 501 (c) 3, non-profit organization. Donations and volunteers are always welcome and appreciated.

We encourage you to help improve your athlete’s high school volleyball experience by joining the EFHS Volleyball Booster Club!
